

## ERA to hold a Parliamentary Stakeholder symposium

As part of its regular accountability practices, Electricity Regulatory Authority (ERA) has organized a Parliamentary Stakeholder Consultation / Update Symposium for Members of Parliament of the Committee on Natural Resources and the Committee on Commissions, Statutory Authorities and State Enterprises to be held February 17<sup>th</sup> to 19<sup>th</sup> 2010 at Lake Victoria Serena Resort.

The Symposium that will be officially opened by the Minister of Energy and Mineral Development Eng. Hillary Onok giving a key note address on Policy Issues & Framework in the Electricity Industry will attract over twenty Members of Parliament. The discussions at the two day event are expected to cover Post Reform electricity sector performance review, Highlights on the Power Sector Investment Plan (PSIP) and Rural Electrification strategy & Progress for Uganda among others.
